

**THE BEST  
VALUE** OF THE  
DECADE

# Hydraulic Breakers

ORIGINAL PRODUCT FROM DEVELOPER

SINCE **1968**

First realized unique concept  
of **MONOLITH!**

**BEST IN  
URBAN**

Maximum concentration  
of power in each bit of mass

**BEST IN  
WILD**

**HARDOX<sup>®</sup>**  
IN MY BODY

Technopark "Impulse" – manufacturer of NextGEN hydraulic breakers

**THE BEST**  
**VALUE** OF THE  
DECADE

# Hydraulic Equipment

## DRILLING AND DRIVING

Vibratory Pile Driver  
is an effective equipment  
to drive and extract piles and pipes

Maximum driving force  
in combination with longer equipment life

A new generation  
of planetary gear and hydraulic motor  
with variable dynamic response

High torque, easy installation,  
durability and wide range of augers

**THE BEST  
VALUE** OF THE  
DECADE

# Ultimate Manufacturing

RESEARCH, DEVELOPMENT, PRODUCTION

OWN DESIGN DEPARTMENT

ADVANCED MANUFACTURING EQUIPMENT

QUALITY IS PROVED

- Impulse – national brand “Made in Russia”
- ISO 9001 certification
- authorized supplier of John Deere
- one of five world centers for attachments innovative development
- Impulse attachments are successfully operated in Australia, United Kingdom, France, Italy, South Africa, Scandinavia

OUR PRODUCTION IS APPROVED BY

SSAB
