Dear Partner,

In 2006 NEKK OJSC launched manufacturing of Copper Sulphate of high quality Tech and Feed Grades.

The Feed Grade Copper Sulphate manufacturing practice applied by NEKK OJSC corresponds to the requirements of HACCP and FAMI-QS.

In 2009 there was established a European office of NEKK OJSC - NEKK Europe Ltd. Being a trade representative of NEKK OJSC, NEKK Europe Ltd. is an active member of FEFANA, organization that unites European manufacturers and consumers of mineral additives for animal feed.

NEKK Europe Ltd. is also a member of BAFSAM (FEFANA subdivision), organization uniting UK feed market members.

In 2010 NEKK Europe Ltd. was registered with REACH as a supplier of all types of copper sulphate for production of mineral additives for animal feed at the European market, reg. No.: 01-2119520566-40-0018.

In 2014 NEKK OJSC has received authorization from US FDA to sell Copper Sulphate Feed Grade at the US and Canadian market, reg. No. 18541547698.

We are ready to take part in all promotional events that is business-missions or negotiations regarding cooperation and collaboration.

Kind regards,
Chief Sales Manager

Vladimir Mochalov
