

## PROCUREMENT MATCHMAKING SESSION

**DALAGRO & FOOD PRODUCTS**, the 19<sup>th</sup> International Agriculture and Food Industry Expo is the premier regional destination in the Russian Far East where you can discover the latest technologies in agribusiness and food sector, meet new partners, discuss the industry trends, and share experiences. The DALAGRO & FOOD PRODUCTS Expo provides a total sales and marketing solution for manufacturers, suppliers, importers, and exporters who would like to expand their business presence in Russia's Far East and the Asia Pacific.

Aimed to promote international trade and to facilitate export and import contracts during the DALAGRO & FOOD PRODUCTS Expo, the **PROCUREMENT MATCHMAKING SESSION** will be offered as a value-added b2b networking opportunity to meet with Russian and international manufacturers, distributors, wholesalers, and retail buyers.

We are pleased to invite international companies who are interested in marketing their products in Russia, to join the **PROCUREMENT MATCHMAKING SESSION**.
