THE SECOND BAIKAL  
INTERNATIONAL  
ECOLOGICAL  
WATER FORUM

# ABOUT FORUM

THE SECOND BAIKAL  
INTERNATIONAL  
ECOLOGICAL  
WATER FORUM

*"Baikal is our pride and a great responsibility. Its conservation for the present and future generations is unquestionably a state priority."*

*V.V. Putin, President Of Russia*

The First Baikal International Ecological Water Forum gathered more than 800 participants from 23 countries, more than 20 regions of the Russian Federation and earned recognition of such international institutes as UN, UNEPCOM, UNESCO, WHO, HELCOM and others.

The Second Baikal International Ecological Water Forum is aimed to promote a constructive dialogue between its participants and to build mutually beneficial partnerships in the field of solving the actual problems related to the preservation of Lake Baikal and the sustainable development of the Baikal region.

**Date of the event:**

20-21 September  
2018

**Venue:**

Baikal Business Centre,  
SibExpoCentre  
Exhibition complex,  
Irkutsk

**Organizer:**

The Government  
of the Irkutsk region
