EXHIBITION & FORUMS

Dear friends!!

I am happy to greet all the participants, visitors and guests of our exhibitions and forums!

The Bashkir Exhibition Company (BEC) is one of the leaders of the exhibition business in Russia and is in top 5 regional companies by the number and quality of exhibitions and forums of international, national and interregional scale.

The company holds 30 own exhibitions and 11 forums every year, co-organizes and operates a large number of projects carried out both in and outside the region.

Our events respond to the highest international requirements and guarantee the decent level of service to all participants.

Many years of experience and professional skills of our specialists, traditional support by the federal and regional authorities, professional associations and unions, application of modern technologies and standards, qualified personnel – all this allows us to perform the exhibitions and forums at the highest level.

I am sure that participation in our exhibitions and forums will help you demonstrate all the achievements of your company and give you the incentive for the further development. We invite everybody to the exhibitions and forums organized for you!

Yours faithfully, Albina Kildigulova, Director General of the Bashkir Exhibition Company
