THE UNIQUENESS OF CANDIES

The uniqueness of candies TM SCANDIC is due to their composition. The bases of the recipe is sorbitol obtained from corn starch. **Our products do not contain sugar, GMO, gluten or lactose.**

We use **only natural dyes of natural origin** such as spirullina, curcumin, carmin. The bright flavor is provided by addition of crushed freeze-dried berries, dried citrus and natural mint.

NO SUGAR

NO GMO

NO LACTOSE

NO GLUTEN

We pay special attention to eco-friendly packaging which **can be 99.9% recycled** due to the complete refuse from the use of plastic and is made of food tin.
