PRODUCT MENU

We are a reliable partner for our customers all over the world, supplying our products to such countries as: United States, Canada, CIS, Israel, China, European Union, Australia.

We also invest in the brand building and development of Uncle Vanya trademark in order to make it better recognized and demanded on local markets.

READY-TO-SERVE VEGETABLE GARNISH

- ▶ Uncle Vanya offers to diversify your lunch or dinner and represents you a delicious vegetable garnish!
- ▶ If you love a healthy menu, natural vegetables' benefits, you will exactly like our ready-to-serve garnish.
- ▶ It was cooked from tender carrots, sweet peppers, baked beans, roasted squash, tomato paste and fresh onions!
- ▶ By nature sautéed vegetable mixes are typically used as a ready-to-serve garnish to the main dishes (with pasta, fish, meat) or as a supplement in cooking (see links on video recipes). But if you are hungry you can eat it with a fresh warm baking - just open and enjoy!
