

FREMAD RUSSIA TOURS

RUSSIA

Russia is the largest country in the world: 17.1 million square km; 7,700 km east-west and 2,976 km north-south with an incredible variety of landforms and landscapes; population is about 145.5 million with more than 100 different ethnic groups representing a multiplicity of national histories and cultures.

We are good in arranging standard tours to Moscow, St.Petersburg, Golden Ring and etc. But we do more than that! Either you want to fully immerse into Russian History or you're looking for something still undiscovered, here we present our own collection of Russia tours to give an alluring alternative to each of you!

VOLOGDA

VOLOGDA

Easy to combine with St.Petersburg

Transportation: Overnight train from St.Petersburg

In all modesty, it can be said that the Russian North begins at Vologda.

One of the largest regions of the European part of Russia, Vologda region is a land of white nights, blue lakes, slow-flowing rivers, medieval towns, monasteries, and the ancient crafts of tinplate frosting and birch-bark carving.

The Kirillo-Belozersky Museum Reserve is a symbol of the whole of Vologda Oblast and a treasury of Russian culture. It was created on the basis of a monastery of the same name, currently the largest of its kind in Europe. Besides the monastery ensemble, the Kirillo-Belozersky Museum-Reserve includes the Ferapontov Monastery in the village of Ferapontovo and the wooden church of the Prophet Elijah, built in 1775, in the village of Tsyfino.

The museum is famous for its old icons, including those from the iconostasis of the Dormition Cathedral. All of them are in good condition and can be seen in the main exhibition of the museum, where you can also find a unique collection of ancient Russian paintings, sewing, archeological finds, folk art objects and rare manuscripts.

PSKOV - PECHORY

PSKOV - PECHORY

PSKOV - PECHORY

Easy to combine with St.Petersburg (260 km)

Transportation: Bus from St.Petersburg

Get in touch with the great history of Russia! You can see the land where the foundations of Russian statehood were established: where Princess Olga grew up, and where she was carrying the Great Prince Igor through the rapid river Velikaja, where Vladimir the Baptist spends his childhood, where at the Pskov Veche the foundations of Russian democracy were formed.

Pskov City was mentioned for the first time in The Tale of Bygone Years - the earliest extant ancient Russian chronicle dating from the beginning of the XII century. Up to the beginning of the XVIII century, Pskov was one of the largest cities not only in Russia but also in Europe.
