

**Medical Tourism Agency**

[mariacares.se](http://mariacares.se)

**MariaCares Sweden AB is the first medical tourism agency located in Sweden and providing services in arranging the medical treatment abroad.**

One of the focus areas of MariaCares business is treatment in Russia. Main medical branches: IVF, plastic surgery, ophthalmology, check ups, light forms of oncology .

MariaCares provides the full range of assistance on the medical trip : from choosing the Doctor and medical Facility to controlling follow ups after the patient comes back to his home country.

Visa and travel arrangements support are included to the Company services as well.

**IVF , Reproductology, Infertility  
treatment**

MariaCares Sweden AB is official partner  
with Scandinavia Clinic and Ava-Peter.

### **Check-up programs, Oncology, Cardiology, Ophthalmology**

MariaCares Sweden AB works in cooperation with a renowned Jerusalem Hospital Hadassah, opened recently in Moscow innovation center Skolkovo.

Hadassah is the first foreign medical centre to be able to operate in Russia without its doctors being required to requalify under Russian law: an exception made possible by the special legal status of the Skolkovo innovations city.
